The TRUTH about Men's Clothing Prices --Ours and Others

This store has always operated on the idea that the people of Pascagoula are more interested in FACTS than they are in FICTION and we think that if there ever was a time for clothing buyers to know the truth IT'S TODAY—when so much loose logic concerning the cost of men's clothing is being issued by the newspapers as "news" and by some clothiers as "bait."

PEOPLE OF PASCAGOULA—and we look you straight in the eye while we say it—Men's Clothing cannot come down retail until it comes down wholesale—and this to date HAS NOT HAPPENED.

The clothier who drops in the New York, Chicago or Rochester market today to buy merchandise—even for cash—finds the golden canary of QUALITY pitched on the same perch it was two months ago—and the newspaper man who thinks different—thinks wrong—and the clothing store that says "\$60 suits are now \$30," knows better—but thinks that you don't.

Next week we will go further—until then let these two expressions of our policy guide your purchase—

1st—THE SAME DAY PRICES DROP TO US—THEY WILL DROP TO YOU—AND THERE'LL BE A SMILE IN OUR VOICE WHEN IT HAPPENS.

2nd—UNTIL THAT TIME COMES WE WILL DEVOTE EVERY ENERGY AND EFFORT TO GIVING YOU THE SAME HONEST AND SINCERE VALUE THAT MARKS EVERY PURCHASE AND PACKAGE THAT LEAVES OUR WRAPPING COUNTER.

We are reducing the COST OF CLOTHES by selling GOOD ONES, such as HART SCHAFFNER & MARX and taking as small a margin of profit as we can get by with.

Encourage thrift and initiative.

Time was when most any kind of a foreign nobleman could pick up an American heiress merely by indicating his willingness to accept her along with her "dough." Now, however, handsome chauffeurs are much more popular than ordinary dukes, princes and counts.
